

JCN is a crypto token for ecosystems of digital online adult entertainment systems based on ERC-20 (Ethereum Token Standard)

PARTNER PROGRAM

ARE YOU READY FOR WEB 3.0?

This partner program is aimed at companies active in the online adult space who automatically benefit from decentralization in a sustainable way forward.

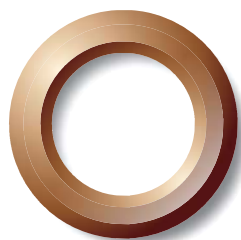

BENEFITS FOR PARTNERS

By embracing and accepting JCN tokens, your business processes can be simplified, costs can be reduced and all partners are able to grow their business.

- * JCN token is designed for everyone active within the online 18+ entertainment industry
- * Benefit from blockchain technology (decentralization in a sustainable way forward)
- * Assistance to make the transition to Web 3.0
- * Accept JCN tokens as a decentralized payment or payout method (JCN Merchant API)
- * Accept JCN tokens as a collecting method (custom integrations)
- * Benefit from bi-directional monetization integrations (including a high revenue share percentage)
- * Minimum to ZERO transaction fees (customize your own commission structure)
- * Connect on the JCN Token Exchange (Buy - Sell - Earn/Mint - Accept JCN tokens)
- * Full media exposure (social media channels - on-site publishing - newsletters - press releases)
- * Your products and services listed on the JCN Marketplace (B2C - B2B)

PARTNER LEVELS

Partners can place an one-time investment fee and will receive the same amount back in JCN tokens (directly distributed) plus bonus JCN tokens. Extra JCN tokens are distributed based on the ICO results. Partners can either participate with equity and crypto or a combination of both.
